Message From The Chair

We are delighted to announce the results of this year's Match for next year's 44 interns, who will join us in June. A stellar group of graduating students was recruited, representing 26 different medical schools around the country. They have many significant achievements already, ranging from accomplished research to substantial community and policy work, and they represent diverse backgrounds and personal experiences. They will be a fantastic group to work with. [See list and more](#)
